News from the President

From the president,

A brief re-cap of the last HOA meeting. The next HOA meeting is scheduled for 7:30pm January 19th at Mt Pisgah. We reviewed the current budget including corrective maintenance expenditures. The budget for the current cycle is tracking as expected. The HOA then discussed the pool terrace project with a recommendation to hire an outside landscape engineer to evaluate the project. The added expense would exceed the \$30,000 approved by the homeowners and may exceed \$40,000. The board has decided to present the revised project budget to the HOA members in January for a vote. Other possible projects discussed included new street signs, renovation of the pool bathrooms, a major renovation to the pool house. These will be presented again at the January meeting.

There is a desire in the neighborhood for a stop sign on Aubusson at Public. I will be contacting Johns Creek to discuss the feasibility of installation. Garbage pick-up consolidation was discussed and the recurring theme is that there a different preferences for pick-up days hindering consolidation in the near term. The board is currently preparing next weeks budget. The extended pool hours into

My name is Abby Hooley, a senior at Johns Creek High School. I am working towards obtaining the Girl Scout Gold Award. I plan to hold a donation drive for Cobb Street Ministries. Cobb Street Ministries provides counseling and housing for homeless and abused women and children. They are desperately in need of some basic household items. Kroger Gift Cards

Hello Neighbors,

Sean's travel baseball team, the John Creek Cavaliers, is doing a fund raiser to help raise money

for the 2012 spring season. I am hoping you can help!

We are selling Kroger gift cards! If you buy groceries from Kroger or plan to buy any gift cards this season from Kroger, please consider what you would normally spend in a week and then, purchase that amount from me...You can turn around and use your gift card to buy groceries, wine / beer, as well as other gift cards. Kroger sells for Best Buy, Game Stop, Visa, many restaurants and other stores! You can also get your Kroger Fuel points when you use a gift card as your form of payment if you collect these...a nice feature of these gift cards!

- You can purchase any denomination
- The gift cards have no expiration date
- Kroger cards are hassle-free, no identification is needed (however, lost cards are to be treated like cash so it can not be replaced if lost or stolen).

If you are interested purchasing a card, you will need to write me a check for the denomination you desire and give it to me by Friday, December 9th. We will place the order for the gift cards on Monday the 12th and have them delivered back to you by the 16th of December (plenty of time to use it for your holiday shopping!) Kroger then gives our team 3-5% back for every gift card we sell (depending on how much we sell).

Sean's goal is to sell 15 \$100 gift cards...please let me know if you would like to help him reach his goal:))

Thank you so much and we wish you a wonderful holiday season!!!

ADOPT-A-REFUGEE Family Service Project

Annual Adopt-A-Refugee Family Service Project - call for help

Every year during the month of December we conduct the annual Adopt-A Refugee Family Service Project, where we adopt newly arrived refugee families. These families come to Atlanta with nothing except the clothes on their back and a debt of their plane ticket costs. Our goal is to get them started by providing everything on their wish lists which range from clothing and children's toys to computers and vacuum cleaners.

Please see below the list of items we are collecting. Please let us know if you can help. Here's a perfect opportunity to clean house, and get rid of some of those items that you have just been hanging on to. Give them to someone who could really use them, rather than them just gathering dust in your garage or basement.
