Tennis Court Update

Some of you may have noticed some small cracks on the upper courts that don't affect their playability. Also, there is a slight depression on court 1. We have a 3 year warranty on these courts. I met last week with the owner of Courtmasters and we discussed the problem. He felt there were a number of possibilities for the cracks and that the solution would be clearer after this Winter's cold. We plan to meet again in the Spring.

Another Request for Dog Owners

Dog Owners. It is nice to see that you are bagging up your doggie surprises. However, lately I have seen the nicely bundled baggies left sitting on the curbs or in the gutters of the neighborhood. Please, be kind enough to take the little bags to your own trash can.

Stroller Needed

I teach Special Education at a Title 1 school which is 7 miles from our neighborhood. 92% of the students are on free and reduced lunch and many are homeless, just on the other side of the river in Gwinnett County.

One of my colleagues, who teaches Severe/Profoundly delayed students, is in need of a sturdy stroller for a little girl in her class. A regular sized stroller or a jogging stroller would be great. If anyone has one that they could loan or donate, it

would be greatly appreciated and make school much easier for this sweet child. This little girl's wheelchair has been ordered but it has been delayed over 6 months due to red tape and the family cannot afford to buy one. Once the new wheelchair arrives, the stroller would be cleaned and returned.

If you like the zesty zing of Thai food you will love this month's recipes. Using healthy and fragrant basil with succulent seitan, we have created two very unique recipes. Both recipes are low in fat but high in flavor! You will learn how to use the very versatile seitan to substitute chicken to make the popular Thai Basil Not Chik'n. You also learn how to roll your very own fresh basil rolls. Plus, as always a mini health seminar to help you on your healthful journey to complete wellness!

"Basil Bites-Spicy Thai Style"

1. "Basil Rolls"

Delicate fresh rice spring roll skins filled with chunks of spicy seitan, fresh basil, sautéed tangy mixture of cabbage and carrots, and rice noodles served with a delicious chili garlic dressing.

.

2. "Thai Basil Not-Chik'n"

Pan-seared chili peppers stir-fried with bell peppers, onions and sliced spicy bits (seitan), aromatized with basil leaves and sautéed in a hot chili garlic sauce.
