Glastonberry Directory Update

The Glastonberry neighborhood directory is currently being updated for this year's

publication. If you have any additions or corrections to be made for your listing, please email Andria Parker at briandria55@aol.com. Deadline for all entries is Sept 15th. Otherwise, entries will be printed as they are.

Check your current entry and see if you would like to add or omit any of the information listed. Double check email addresses and cell phone numbers as these have a tendency to change over often.

Note, all information regarding adult children will be included as it is currently printed. If they no longer live at home and you would like their information removed you must indicate so. Please also indicate whether youth in your household would like to be listed as either a potential petsitter, babysitter or yardworker. Lastly, don't forget to add new children born this year.

The available information fields for each entry include: Husband's name- cell phone, work phone, and email address

Wife's name- cell phone, work phone, and email address

Children's names- cell phones, birthdates, and (petsitting y/n; babysitting y/n; yardworker y/n)

Recycle - Let's become the Best Earth Friendly Neighborhood!

We are new to the neighborhood and noticed that not many people are putting out recycling bins. We as a family put out more recycling than garbage, hence we asked for a bigger recycling bin. If you use Waste Management - they provide bigger "closed" recycling bins for free instead of using the open little crates. Did you know that in Canada people are charged extra for garbage but recycling is free. We are very lucky in Atlanta because Waste Management takes all recycling numbers from 1 to 7 - for those of you who aren't familiar with recycling - there is a number in a triangle on any items that can be recycled. So you can recycle almost everything.

We hope to see more people putting out more recycling rather than garbage.

Let's get together and be a more earth-friendly neighborhood.
