Mailbox Hit by a Car

Wednesday evening (Oct. 29th, 2008) between 6:00- 7:00pm, a brick mailbox at the Jacobean entrance was knocked over and destroyed. The resulting force scattered mailbox bricks across the driveway and into the adjoining side yard.

It appears this accident was caused by a moving vehicle. This vehicle probably sustained some damage.

If anyone saw anything or knows what may have happened, the homeowners would appreciate any information you may have.

Their phone # 770-993-0827.

For Sale

I have an upright piano for sale for \$250, it needs to be tuned.

Social

The Halloween party wrapped up Glastonberry's social events for this year. We had a great time hunting eggs at Easter, parading for the Fourth, swimming all summer and

"Spooking" our neighbors. In order to do it all again next year, we will need someone to chair the social committee. If you are interested, please contact Andria Parker (678-585-0317 or briandria55@aol.com). It is a easy, fun job and allows you the chance to really get to know some new neighbors!

Honey Baked Ham

My FBLA students at Centennial High School are selling gift certificates for Honey Baked Ham as a fund raising event. The students receive 20% of the total sales.

The certificates come in increments of \$10, \$25, \$35, and \$50. They are valid at any HBH store and they do not have an expiration date. The certificates can be used for any HBH product including hams, turkey, and sides.

If you think you will be using HBH for the holidays, please consider purchasing the certificates from us. They also make good holiday gifts. We will sell until November 12 and I'll pick up the certificates around November 14.

Email me at cowart@fultonschools.org or call me at home 770-641-9474. Make check out to Centennial High School. Thank you for your support!

- Sue Cowart

Watering Restrictions

As most probably already know, Fulton County has watering restrictions. But there are clear exceptions to the restrictions as detailed under the link above. Please be aware that one of the exceptions is that new landscape - including aeration and overseeding - may be watered for 10 weeks on the odd/even schedule. A Certificate is required, and the above link has the information on obtaining one. Watering is also allowed within the 24 hours after a professional application of pesticide or herbicide, at specific times (All watering, regardless of the schedule, must be completed between midnight and 10:00AM). Some hand watering is allowed - on an odd/even schedule - even for established areas. Please be informed about water restrictions - and the exceptions.
