Neighborhood Meeting, Dues and Board Openings

Dear Neighbor,

We will be having one of our semi-annual meetings on Tuesday, Jan. 27th at Barnwell Elementary cafeteria.

The dues for next year will be the following:

- * \$685 for Mandatory Swim & Tennis
- * \$119 for Homeowners Only
- * \$600 for Out of the Neighborhood Dues
- * \$715 for Non-Mandatory Members

The total will be due on March 1st. Any amount not paid by March 1st will be subject to a late fee. If you would like to make payments Linda Mendoza can start taking payments now. You can send to P.O. Box 768741, Roswell, GA 30076.

There will be 2 board openings starting April 1st. If you are interested please contact Carol Brasher, c.brasher@comcast.net. It is very important that we have volunteers for these positions. Our neighborhood is only as strong the members and volunteers that work for our neighborhood. If you have any questions about the commitment or what is entailed please contact Carol or any other board member.

We are still looking for the directories to be coming out any day now. We will deliver as soon as we get them. Please keep a look out in your mailbox for your copy.

Bunko in 2009

We had a great time at the December Bunko, and we'd like the fun to continue at least quarterly in 2009. We have the months and hostesses all lined up. As the dates approach, the hostesses will set the specific date/time, but please be watching for details in your Gazette. Bunko requires no skill whatsoever. You will learn quickly your first time, so don't let the fact that you've never played keep you away! It's also a great way to meet a lot of your neighbors! Please join us next time!

- * MARCH Linda Dembowski/Mary Hansen
- * JUNE Mary Lou Martinez/Cappy Foley
- * SEPTEMBER Carol Brasher/Kathy West & Donna Baker
- * DECEMBER Eileen Bodamer/Leslie Schaitberger

Swim Team....It is time to start thinking about it!!!

Even though swim team is far off in the future, the registration will probably be the end of February or first week in March. We would love to have shadows this year for the positions of Head Swim Team Mom, Coordinator, Treasurer, and Concessions. They wouldn't be taken over the jobs but just watching what we do this swim season. any questions, please email Jennifer Cooney : jenacooney@yahoo.com

Attention all Glastonberry Men: Tennis

Attention all Glastonberry Men: Our neighborhood tennis team will start their Spring season in mid-March, but we must sign up our team by January 22. Please consider joining us. Everyone is welcome, regardless of playing ability. We had a lot of fun last season, and enough success to make the playoffs! Come join 24 of your neighbors! Contact Walt at 770-552-1472 or dembowskil@aol.com Thanks.

Construction Permits and Inspections

As you know I'm building an addition to my home as a DIY project; doing most of the work myself. Last time the Johns Creek Building Inspector was out to inspect and sign-off on a stage of my construction project he apologized for being late. Driving over he stopped by a construction project finding it to be un-permitted; the project was immediately stopped and fines imposed. What that could mean for Glastonberry residences, for example, is having their re-roofing project stopped mid-stream while the sub or the homeowner deals with City Hall's permitting process. If it rains while part of the roof is removed, disaster! I've only found the permitting process and the inspection

process to be very positive.
